

I Wish

Words and music by Jenica Rayne and Simon Kendall © 2004

you can climb a mountain
you can make it to the top
there are many roads and passages
many times you'll wanna stop
but when you're feelin' down
your chin's on the ground
there's no forest just trees
take a look around
you're never alone
together as one
i wish you joy
happiness
love in your quest
for all the things
that your heart desires
and freedom in yourself

get up in the morning
you gotta greet the day
climb on out of bed
whether it's sunshine or rain
cause there's no need to fret
just keep doing your best
we're all unique and
that's a beautiful thing
when you think there's no one
you are never alone
take a look around
you've got to love someone

i wish you joy
happiness
love in your quest
for all the things
that your heart desires and
freedom in yourself

it's all coming down
like needles and pins
you cannot buy it

love comes from within
everyone's included and
you don't have to pay
no you cannot buy it
you give it away

i wish you joy
happiness
love in your quest
for all of the things that
your heart desires
and freedom in yourself
